RULES:

1. Contest open to all rubber tired garden tractors with no industrial or 4-wheel drive tractors allowed.
2. Stock Class Garden Tractors will be entered in the following weight classes:
 1. 800# stock 12hp or less
 2. 1000# stock single cylinder
 3. 1000# stock twin cylinder
 4. 1050# super stock
 5. 850# 12 hp or less
 6. 1050# stock single cylinder
 7. 1050# stock twin cylinder
 8. 1050# modified
 9. 1300# stock
3. Weight includes driver. No weight or driver changes allowed after the weigh-in is completed. All weights must be bolted or fastened.
4. Maximum hitch height for stock class is 13 inches above ground.
5. All garden tractors in stock classes will have a stock or mfg. approved garden tractor replacement engine to be run at mfg. specification and a maximum engine rpm of **4250 rpm no load, no rpm limit for super stock or modified**. No porting or polishing or high performance alteration to engine allowed. No manual override on governor/carburetor linkage. All engines will be check for maximum rpms prior to pulling and after pulling if questionable rpms are observed/questions. (Sparkplug wire must be accessible for this check of rpms.) (No motorcycle, chainsaw, snowmobiles, etc., engines will be allowed on a stock class garden tractor).

6. Stock exhaust muffler will be used or the exhaust must discharge vertically (+ or -10 degrees) upward and extend at least 12 inches from the exhaust port.
7. No gear shifting after individual pull starts, variator equipped garden tractors will be allowed to use variator shifting, as do hydrostatics. No jerking or hole digging allowed.
8. Only one puller per tractor per class.
9. Maximum of two hooks per tractor.
10. All stock classes except twin cylinder classes cannot use dedicated pulling tires. Griding tires may be permitted. Twin cylinder classes may run any cut. 26X12X12 max size in all classes, no dual wheels, tire chains or 4-wheel drive.
11. Front-end weights may not extend more than 20 inches in front of the tractor frame.
12. All drivers under 18 years of age must have parent's written consent and **DRIVERS PULL AT THEIR OWN RISK.**
13. ****Contestants** under 18 years of age may have one (1) pit crew person; over 18 years of age; on the track while pulling. Pit crew person cannot at anytime touch the tractor while pulling. The contestant will be disqualified if this occurs.
14. Contest to be governed by Judges with all decisions final. Judges have the right to stop or disqualify any contestant tractor if it is operated in such a manner as would be considered unsafe. Driver must remain seated and one hand on the steering wheel during the pull.
15. Members of the committee immediately prior to making a pull will check gear position and weight. Tractors may be rechecked after the pull is completed if there is any question of pull violation.
16. Committee has the right to accept or reject any or all entries.
17. Contestants and Spectators **WILL BE THERE AT THEIR OWN RISK.**
